

# PRO Excellence in Design Award 2012 Milton Centre for the Arts

## Parks and Recreation Ontario Awards Program 2012

Each year, through its Awards Program, Parks and Recreation Ontario recognizes and honours the achievements of both its members and those in the parks and recreation community.

These highly-coveted awards express PRO's admiration of and gratitude to individuals and organizations that have contributed to the advancement of leisure, parks and recreation in Ontario.

### Excellence in Design Award

This award is presented for excellence in design of recreation or park facilities intended for public use. It recognizes a cultural facility that has demonstrated high standards of planning, design, community involvement, operation and maintenance, quality of aesthetics, usability, accessibility and versatility.

The facility shall have demonstrated outstanding innovation which has made significant impact in the parks and recreation field. Winning an individual or agency award is a testament to the dedication and commitment put in to making Ontario communities a better place to live and play!

The awards are celebrated at the Annual PRO Educational Forum in front of colleagues from across the province and in the community as well.

The successful submission for the Design-Build method of project delivery was lead by PCL Constructors Canada and included a multi-disciplinary team of designers and engineers who collaborated on preliminary design to provide the winning project. Key sub-consultants include: Halsall Associates, Smith & Andersen and Aldershot Landscape Contractors.

**+VG Architects** is a full-service architectural firm offering new design, expansions and heritage restorations for cultural, educational, municipal, justice, healthcare, residential and recreational facilities. Our staff of +50 operates in four offices in Ontario, in Brantford, Kitchener, Toronto, London and Belleville.
